2014 Match

The CERF Board of Directors announced at its May meeting that the full Savings Plan match allowed by law is being offered this year. CERF will match funds deposited into the 457 Savings Plan for year 2014 in the amount of 50¢ on the dollar, up to the first 6% of pay. The match will be added to eligible accounts during the first quarter of 2015.

Member Statements

An estimated 9,440 member statements were mailed in April, and approximately 405 were returned undeliverable as addressed. Contact was made with the counties to try and obtain new addresses, but in most cases, the clerks' offices were not aware of more recent addresses. In our continuing effort to find ways that might benefit the clerks and our members, we thought a payroll stuffer could serve as a reminder to employees as to the importance of this. An example might be as follows:

Please remember to update your address with the county payroll office so this information can be shared with CERF. This will enable you to receive member statements and other important announcements such as the DC Plan Match more quickly. In addition, CERF will take care of providing that information to Great-West in order for you to receive your Savings Plan statements without delay.
