Annual CERF Pension Statements

CERF plans to mail annual statements by the end of April. Statements will be sent to active participants with at least two years of service. The statements will show a projected benefit at age 62. Employees already age 62 will see a projected benefit based on their current service.

The annual statement also shows current beneficiaries on file with CERF.

2025 Pre-Retirement Seminar

CERF and Empower will host a Pre-Retirement Webinar on May 14th at 10:00 a.m.

Empower will distribute registration information to counties prior to the webinar.

Members who are two to three years from retirement may want to attend. The webinar covers the basics of the CERF Pension and the CERF Savings Plans.
